

Date: February 14th, 2024

Subject: Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

California Eastern Laboratories (CEL) has made reasonable efforts to provide accurate information regarding the Substances of Very High Concern as listed in the Candidate List by ECHA dated 23 Jan 2024.

To the best of our knowledge, CEL has determined that CEL-Branded components including the following product lines

Low Noise GaAs FET, CExx series;
Low Noise Amplifier IC, CAxx series;
RF Switches, CGxx series;

do not contain the listed substances in amounts over 0.1% by weight.

This statement is based on CEL's understanding of the REACH directive and knowledge of the materials that go into these components as of the date of disclosure of this information.

CEL relies on information provided by our suppliers and has not conducted chemical analysis or testing on devices.

CEL has assigned a single point of contact. Contact details are as follows, or you may contact your current source.

Name: Ryan Wheaton
Title: Engineering Lead
[Email: ryan.wheaton@cel.com](mailto:ryan.wheaton@cel.com)

If you should have any additional questions regarding our devices and compliance to current environmental standards, please do not hesitate to contact your local representative.

Best regards,

Ryan Wheaton
Engineering Lead

Important Information and Disclaimer: Information provided by CEL on its website or in other communications concerning the substance content of its products represents knowledge and belief as of the date that it is provided. CEL bases its knowledge and belief on information provided by third parties and makes no representation or warranty as to the accuracy of such information. CEL has taken and continues to take reasonable steps to provide representative and accurate information but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. CEL and CEL suppliers consider certain information to be proprietary, and thus CAS numbers and other limited information may not be available for release.

In no event shall CEL's liability arising out of such information exceed the total purchase price of the CEL part(s) at issue sold by CEL to customer on an annual basis.

See CEL Terms and Conditions for additional clarification of warranties and liability.
