CMP535-1-R	ZB3212F6R4SP2-1C-R	

are compliant with the requirements of restriction of the use of the REACH SVHCs 233 hazardous substances listed in the Candidate List dated 17 January 2023. This includes all the materials and the production process of manufacturing the above parts. This status is based on CEL's understanding of the REACH requirement and knowledge of the materials that go into its products as of the date of this disclosure.

If you should have any additional questions regarding our devices and compliance to environmental standards, please do not hesitate to contact your local representative.

Best regards,

Ryan Wheaton  
Engineering Manager  
California Eastern Laboratories

Important Information and Disclaimer: Information provided by CEL on its website or in other communications concerning the substance content of its products represents knowledge and belief as of the date that it is provided. CEL bases its knowledge and belief on information provided by third parties and makes no representation or warranty as to the accuracy of such information. CEL has taken and continues to take reasonable steps to provide representative and accurate information but may not have conducted destructive testing or chemical analysis on incoming materials and chemicals. CEL and CEL suppliers consider certain information to be proprietary, and thus CAS numbers and other limited information may not be available for release. In no event shall CEL's liability arising out of such information exceed the total purchase price of the CEL part(s) at issue sold by CEL to customer on an annual basis. See CEL Terms and Conditions for additional clarification of warranties and liability.
